

## **Taste of St Andrews: Wine and Food Festival 2009**

Do you enjoy a good night out? Do you like sampling some of New Zealand's best wines? Do you like good food? Yes, yes and yes! Then mark your diaries now for Saturday, 28 March 2009 and join the St Andrew's College PTA and Old Collegians for the inaugural Taste of St Andrew's: A Celebration of Food and Wine.

Your ticket provides you with entrance, food and entertainment, a tasting glass and a chance to win door prizes. Fifteen of New Zealand's premier wineries, all owned and operated by St Andrew's College parents and Old Collegians, will be there. Wines from Marlborough, Waipara and Central Otago will be on sale for tastings and case sales. Fantastic food will be prepared to complement the wines. A Silent Auction will occur with great items and packages for all. And while you taste, savour and socialize you can enjoy the finest of music from St Andrew's College's many musicians and groups.

So, right now mark that diary for Saturday, 28 March 2009 at 7pm. Plan on a fun night out, come to taste and buy some of New Zealand's finest wines, support the PTA and Old Collegians in raising funds for a special project in the new Science and Mathematics courtyard, and invite your friends for a rollicking good night!

### **How can you help?**

We need volunteers to work as support staff to the wineries on the night, people who sew to help make their aprons, decorators to set up the gymnasium, and donations for the Silent Auction. Please contact Michael Nutt at [mnutt@stac.school.nz](mailto:mnutt@stac.school.nz) or Margaret Lyons at [mlyons@stac.school.nz](mailto:mlyons@stac.school.nz) if you would like to participate in any way. We will then be in touch to utilize your talents in helping to make this night a huge success. Tickets go on sale early in March, but watch here for a complete list of participating wineries and other updates!
